

RAJIV GANDHI SUPER SPECIALITY HOSPITAL
(An Autonomous Institute Under Govt. of NCT of Delhi)
Tahirpur, Delhi-110093

SWACCHATA DRIVE

Name of the hospital: Rajiv Gandhi Super Speciality Hospital (RGSSH)

Address: Tahirpur, Delhi-110093

Date of Activity: 10.08.2025

Activities Performed:

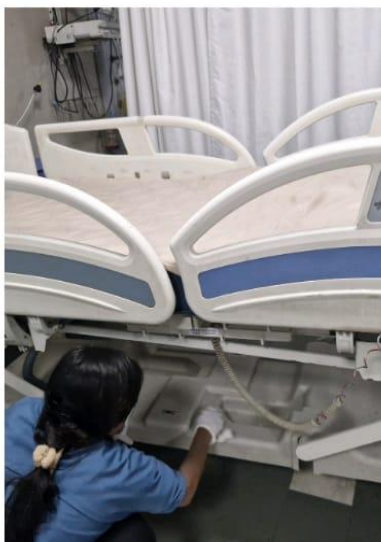

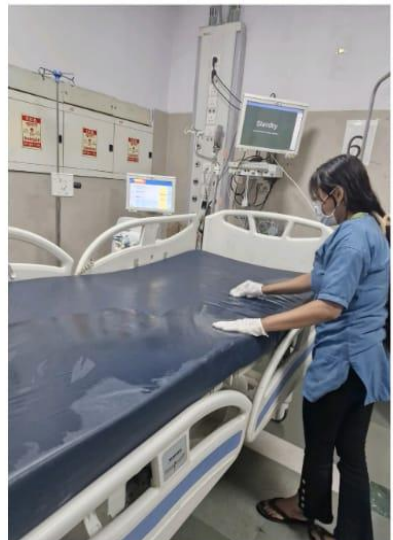

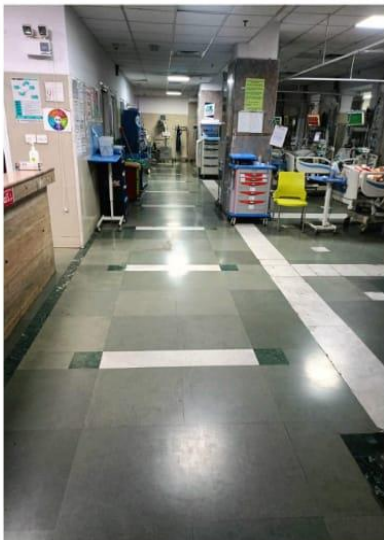

1. Deep Cleaning of Critical Areas
2. Zero Waste Week Challenge (Plastic Reduction + Composting)
3. Cleaning of OPD/IPD/Store areas.

Details: The Swacchata Drive conducted on 10th of August 2025. The following activities performed: Deep cleaning activities carried out in all designated critical care areas. The process included thorough cleaning and sanitization of Operation Theatres (OTs). Intensive Care Units (ICUs) were disinfected to maintain infection control standards. All tasks completed as per hospital cleaning and hygiene protocols. The CSSD instrument packing process upgraded, disposable SMS sheets have been replaced with reusable green sheets. Cleaning activities performed in the OPD, IPD and outer areas of the hospital.

Deep Cleaning of Critical Areas

Cleaning of OPD/IPD/Store areas

Before	After
OPD Area  A photograph of the OPD area before cleaning. The floor is made of large, light-colored tiles with a pattern of yellow and green lines. The floor appears dirty and worn, with some discoloration and debris visible. The background shows glass doors and a wall with some signage.	 A photograph of the OPD area after cleaning. The floor is the same as in the 'Before' image, but it is now much cleaner, with the yellow and green lines clearly visible and no debris or discoloration. The background is the same.
CCU- 1  A photograph of the CCU-1 area before cleaning. The floor is made of large, light-colored tiles. The floor appears dirty and worn, with some discoloration and debris visible. The background shows medical equipment and a person standing in the distance.	 A photograph of the CCU-1 area after cleaning. The floor is the same as in the 'Before' image, but it is now much cleaner, with the tiles appearing bright and shiny. The background is the same.
Urology Ward  A photograph of the Urology Ward before cleaning. The floor is made of large, light-colored tiles. The floor appears dirty and worn, with some discoloration and debris visible. The background shows medical equipment and a person standing in the distance.	 A photograph of the Urology Ward after cleaning. The floor is the same as in the 'Before' image, but it is now much cleaner, with the tiles appearing bright and shiny. The background is the same.
Outer Area  A photograph of the Outer Area before cleaning. The floor is made of small, square, light-colored tiles. The floor appears dirty and worn, with some discoloration and debris visible. The background shows a building and some trees.	 A photograph of the Outer Area after cleaning. The floor is the same as in the 'Before' image, but it is now much cleaner, with the tiles appearing bright and shiny. The background is the same.

Zero Waste Week Challenge (Plastic Reduction + Composting)
