Cleaning of OPD/IPD/Outer areas

Before	After
OPD Area  A photograph of the OPD area before cleaning. The floor is a mix of grey and green tiles, appearing somewhat dull. A blue directional sign is visible on the left, and a white reception counter is in the background.	 A photograph of the OPD area after cleaning. The floor is significantly brighter and more reflective. The same blue sign and white counter are visible, but the overall appearance is much cleaner.
RICU-2  A photograph of the RICU-2 ward before cleaning. The white floor is dull and shows some dark spots. Medical beds and equipment are visible in the background.	 A photograph of the RICU-2 ward after cleaning. The white floor is now very bright and shiny, reflecting the overhead lights. The medical beds and equipment remain in the same positions.
4th Floor Ward  A photograph of the 4th floor ward before cleaning. A gurney is parked on the left, and the floor is a mix of grey and green tiles. The walls are white with some posters.	 A photograph of the 4th floor ward after cleaning. The floor is much brighter, and the gurney is still in the same position. The overall environment appears more hygienic.
Outer Area  A photograph of the outer area before cleaning. The paved ground is dull and has some debris. A row of potted plants is visible along the wall.	 A photograph of the outer area after cleaning. The paved ground is now much brighter and cleaner. The potted plants and wall are also visible.
