Cleaning of OPD/IPD/Outer areas

Before	After
OPD Area	
 A wide-angle photograph of the OPD area before cleaning. The floor is made of large, light-colored tiles and appears somewhat dull and reflective. The area is empty, with some medical equipment and a person visible in the background. The image is taken from a low angle, showing the floor and the lower part of the walls. The text "REDMI A5" and "28/08/2025 07:40" are visible at the bottom.	 A wide-angle photograph of the OPD area after cleaning. The floor is now very shiny and reflective, showing clear reflections of the surroundings. A person is visible in the background, and the overall appearance is much brighter and cleaner. The text "REDMI A5" and "28/08/2025 07:46" are visible at the bottom.
CCU-2	
 A photograph of the CCU-2 area before cleaning. The floor is made of large, light-colored tiles and appears somewhat dull and reflective. The area is empty, with some medical equipment and a person visible in the background. The image is taken from a low angle, showing the floor and the lower part of the walls.	 A photograph of the CCU-2 area after cleaning. The floor is now very shiny and reflective, showing clear reflections of the surroundings. The area is empty, with some medical equipment and a person visible in the background. The image is taken from a low angle, showing the floor and the lower part of the walls.
5th Floor Ward	
 A photograph of the 5th Floor Ward before cleaning. The floor is made of large, light-colored tiles and appears somewhat dull and reflective. The area is empty, with some medical equipment and a person visible in the background. The image is taken from a low angle, showing the floor and the lower part of the walls.
